**“Professional Training cum Workshop on Bio Craft”**, seeks to transform waste, such as paper, cardboard, wood, glass, plastics, metals and rubber into works of art. The concept goes beyond the conventional recycling of materials by creating objects that exceed the economic, cultural and social value of the original product.

**Dates** - 20 February 2019 to 28 February 2019

**Organised By:** Bhattar College, Dantan a recognised, NAAC accredited institution, affiliated to Vidyasagar University, Midnapore, Paschim Medinipur.

**Convenor and Principal:** Dr. Pabitra Kr. Mishra

**Event Coordinator :** Prof. Shubhra Chandra.

**Event Trainer/Experts-**Mr. Sudip Maity, Mr. Harinarayan Chandra, Mr. Swaroop Maity.

**Context-** Art and craft or creative pursuits aimed at nurturing the mind, body and soul in a holistic manner. Education with its in net essence of knowledge and productive work orients towards experiential learning, acquiring skills through hands-on activities, essential for transforming knowledge into functional experience for application in day-to-day life. Bio craft is in a form creative re-use, is the process of transforming by-products, waste materials, useless or unwanted products into new materials or products perceived to be of greater quality such as artistic value or environmental value. It consciously attempts to limit the impact of humanity on the natural environment-and utilising organic, non-toxic, repurposed materials and finishes that improves air quality in the home. Artisans across rural and urban parts of India has gained a

reputation for production of such goods that are mainly eco—friendly and sustainable in nature. The purpose of this workshop was to disseminate, knowledge, nurturing and honing the skills and attributes where the 3Rs (Reduce, Reuse, Recycle) of resource conservation can be incorporated in day-to-day life and a necessary temperament for sustainable development can be imparted to the participants. Further, the event was focused on applying the skills and converting them into profitable business ideas while promoting and boosting entrepreneurial ecosystem among the young students.

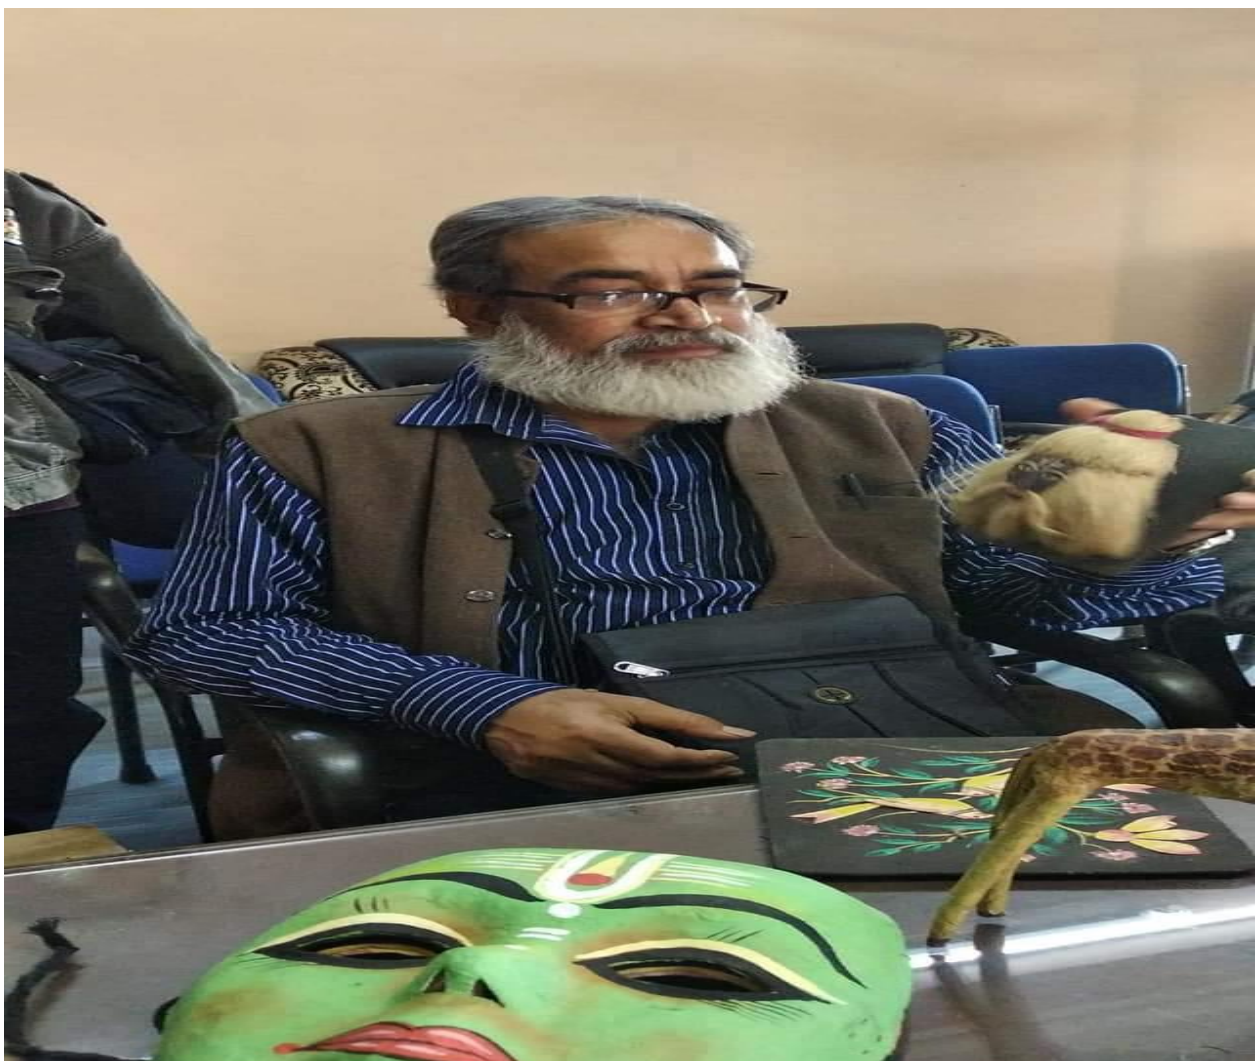

### **Objectives:-**

- 1) To motivate the students to think about ideas that can be turned into feasible and viable business models without bringing much harm to the environment and always follow the 3Rs (Reduce, Reuse and Recycle) of SDG (Sustainable Development Goals).
- 2) To give a platform to hone the skills and unique talents of our students.
- 3) To provide a platform for a students to showcase their skills to the stakeholders.
- 4) To uplift and nurture and inculcate the entrepreneurial spirit of our students.

### **Brief report:-**

With the primary objective of training of students a 9 day(20th February-28th February, 2019) Professional Training Workshop on Bio Craft was organised in our college. Our esteemed Principal, Sir, Dr. Pabitra Kumar Mishra inaugurated the workshop and highlighted the need for such training as part of the learning process of the students. A variety of products from old newspapers (masks) , keyholders from cardboard and murdered and other house. Décor items were taught by the three training experts-Mr. Sudip Maity, Mr. Harinarayan Chandra, Mr. Swaroop Maity. The event witnessed active participation with total \_\_\_\_students who registered and participated in the programme with full enthusiasm and zeal. They also displayed their items at the end.
