

**Report of a  
one-day Workshop cum Field Study named “*Experiential Learning  
Through Rural Immersion*” organised by the Department of  
Education, Bhatler College, Dantan**

**Introduction:** The department of education, Bhatler College, Dantan, organised an one day Workshop cum field study on 04.04.2019 at 11.00 a.m.at seminar hall as well as in a nearby village namely Monoharpur of Dantan-I block. 40 students of PG 2nd semester of this year participated in the activity. The students were guided by the departmental teachers namely Ananya Mukhopadhyay, Kaliram Murmu ,Jayanta Kumar Mishra, Ranjan Kumar Behera, Eti Samanta and Arabinda Jana. Dr. Lalit Lalitav Mahakud, Assistant Professor in Education, Jadavpur University was the external resource person of the the programme. The objective of the activity was to acquaint the students with the reality of Nature and livelihood of rural people. The other objectives were to learn cooperative learning, Peer learning, learning through visiting historical places.

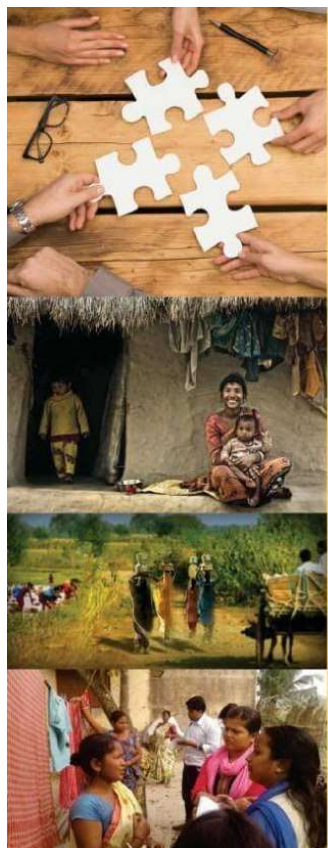

**Activity:** Firstly, the workshop was conducted at Seminar hall of the college at 11.a.m.to initiate the activity. Dr. Mahakud elaborately discussed the topic and the students and the professors of the college participated in the workshop. Sri Bibhuranjan Giri , Associate professor of the department of commerce presided over the programme on behalf of the principal of the college. Secondly, the students along with the internal and external professors of the department visited Monoharpur village at about 1.30 p.m.. This village is located at adjucent area of historical place of Buddhist Math Mogolmari. The students divided in groups visualise the real conditions of the local tribal and other people. The students came to know the problems of the people and tried to discuss the way out of the problems. Thirdly, the students visited the historical places Mogolmari and experience the education and the cultural system of Buddhist period. The professors help the students immerse into the deep water of the problems and learn through it.

**Outcomes:** The outcome of of the activity was to fulfill the thrust of learning. And through these activities the students enjoyed the types of learning. Finally, the participants along with the professors returned to college and the Head of the department concluded the programme at 5.00 p.m.
